CALL TODAY TO REQUEST A FREE ESTIMATE

Master Key Finishes

Key Quality. KeyArts Houston

Our modern factory has been designed to service the rebuilding and refinishing needs of piano owners, churches & venues.

Here are just a few reasons to consider having your piano rebuilt or restored to original quality.

SHIPPING: Delivery and pick up is available for most U.S.A. destinations and Freight is FREE.

QUALITY: With over 3000 pianos delivered, our clients trust the quality of our work. Restoration and Rebuilding for all pianos including Uprights and Grand Pianos of any make.

PROMPT TURNAROUND: Our factory operates with greater efficiency than most rebuilding shops. In virtually every case, we can completely rebuild and refinish your piano in 3-4 months, including all transport time .

VALUE: Because of our high volume and manufacturing efficiencies we are able to offer a very comprehensive rebuilding service at a very reasonable price. We do not publish pricing on the web. However call or email us today and we will be glad to provide you with our current pricing programs.

CUSTOMIZATION: While we offer standard packages we are more than willing and capable to customize your request.

GUARANTEED: If we do not complete the work you requested to your satisfaction we will pick up the piano, make necessary repairs and promptly return the piano to you at no additional cost. This is in addition to our 5 year structural warranty. References available.

HOW TO USE THIS DOCUMENT: Please call for general information and have a conversation about your project, rebuild, refinish, restoration, grand piano or upright. We will discuss your project and answer all of your questions. A written quote will be provided as soon as possible.
